

DAVID L. VALLUZZO

David Valluzzo is the Executive Manager of RJM Corporation. The company's mission is to find, create, develop and commercialize innovative energy technologies, and it is a leader in the field of combustion and environmental engineering for the utility and industrial

markets.

At RJM, Mr. Valluzzo is responsible for providing leadership and addressing all day-to-day management issues. In the capacity of Executive Manager, David utilizes his nearly 20 years of business experience in the areas of leadership, information systems and financial management in order to ensure that the objectives of the company's strategic plan are met or exceeded.

Prior to joining RJM, David was the President and CEO of DCG Precision Manufacturing Corporation in Bethel, Connecticut.

David is a lifetime member of the CEO Club and a past member of New York PAC 2. He has served as President of the Danbury Jaycees, was elected a State Senator of the Connecticut Jaycees, and is listed in the 1986 edition of Outstanding Young Men of America.

Mr. Valluzzo holds a Bachelor of Applied Science degree from the University of Pennsylvania and an MBA degree from New York University, where he was elected to Beta Gamma Sigma, the national business honor society.

David resides in Easton, Connecticut, where he enjoys gourmet cooking, gardening, golf, bicycling, and travel.
