About CEO Clubs Int'l

The CEO CLUBS is in the businesses of “making money and having fun, all while we are learning”.

As you will see (and hear) on the website, www.ceoclubs.org, we have over 150 free luncheon talks given by CEOs to our membership. Our members on average run businesses with about \$20,000,000 of annual sales and we have recorded all of their talks in mp3 format. Past speakers have included, Ted Turner, Peter Grace, Boone Pickens, Steve Forbes, Harvey Mackay, Mike Bloomberg, David Neeleman, Herb Kelleher, Clement Stone, Wally Amos, Zig Ziglar and about 100 others.

Our average member runs a business with about 100 employees. We are seeking new members in Florida and Latin and South America. Come and learn why about 15,000 CEO's across the USA and about 10,000 from other countries have benefitted from our focus, *“It's OK to be independent but there is no reason to be alone”*.

Dr. Joe Mancuso

The founder of the 33 year old not-for-profit Chief Executive Officers Clubs (CEO Clubs), Joe Mancuso is the entrepreneur's entrepreneur. Mancuso is a popular speaker and participants have paid over \$150,000,000 to hear the talks and workshops conducted or arranged by Joseph Mancuso.

Most recently, Joe has traveled to China; fifteen times in eight years and brought with him on the trips over 800 diverse CEOs. Today the Clubs have chapters in China/India/Dubai/and Greece.

Mancuso is undoubtedly best known as an author. His books and tapes have been heard or read by more small business people than those of any other management author, according to Simon & Schuster. He has edited or written twenty-six books, and currently ten books are classified as backlist books, which sell about the same quantity every year. In addition, Joe has authored numerous magazine articles and booklets; in such a diverse magazines as Playboy, Penthouse, Success, Harvard Business Review, The Journal of Marketing and The Journal of Small Business. His materials about business plan preparation have outsold all other authors combined.

Joe holds an Electrical Engineering degree from WPI and an MBA from the Harvard Business School. His Doctorate is from Boston University in Educational Administration. He was the Chairman of the Management Department at Worcester Polytechnic Institute (WPI) in Massachusetts before launching the CEO Clubs in 1977. He lives in Manhattan, with his wife and business partner, Karla, their two children Max and May. His three married daughters have given him six grandchildren.

About the President

Georgia Kartsanis

A multicultural professional with rich line experience in senior posts from the professional services, industrial and technology sectors, within the markets of Greece, USA and the Middle East.
