

HOWARD L. LAKE

Howard, a native of Lancaster County, PA, graduated from Lebanon Valley College in 1967 with a degree in Philosophy and Business Administration; and, was a grad student in Temple University's Doctoral program from 1967-69, majoring in Philosophy.

As an undergraduate and graduate student, Howard worked in the commercial printing business to support his family and pay the college expenses; and, parlayed that experience to realize his dream of becoming an entrepreneur.

Lake Lithograph Co., founded in 1980, is a medium-size, family-owned and operated business comprised of Howard, Millie, four children and fifty employees. The facility is staffed and run on a multi-shift basis; and, is involved in three niche markets:

Lake Lithograph Co., a high-quality multi-color promotional printing business serving the association, corporate, ad agency and design markets by utilizing two, four and five-color printing equipment with digital pre-press and binding.

Lake Lithograph Documentation Center is a digital-imaging facility which utilizes three-networked Xerox Docutech black and white machines and, a Docucolor2045 high-resolution digital color machine to serve the print on demand market by producing short-run books, manuals, proposals and the like.

Lake Lithograph Co. Mailing and Fulfillment complement the operation by offering mailing and fulfillment services for their printing and copying customers.

In July of 1999, Howard and his wife obtained an Industrial Revenue Bond and built a 45,000 square foot facility, which now allows them to manufacture out of one location.

Howard and Millie live in Gainesville, VA. When not working, Howard is an avid tennis player and competes in age-group competition and USTA league competition.

Together, he and Millie are parents of five children and grandparents of seven.
